

February Calendar

4th-10th

Worship

Make a list with your family of things that you love and pray for God to help you put Him first.

Activity

Build a campfire or light a fireplace with your family to remember how God miraculously lit Elijah's altar.

Service

Invite a friend from school to church so that they can learn about what it means to choose God!

11th - 17th

Worship

Draw a picture of you with your classmates and teachers at church and thank God for giving you that community.

Activity

Use Legos or blocks to build a church and remember the temple that Solomon built for God.

Service

Show your classmates and teachers at church that you appreciate them by making them Valentine's Day cards

18th - 24th

Worship

Sing "Jesus Loves Me" with your family and thank Jesus for loving you so much that He disciplines you to help you.

Activity

Sleep in the family room with your family for a night instead of your bedroom. Remember how the Israelites were not allowed to go back to their beds or their homes because they did not listen to God.

Service

It's hard listening and obeying your parents or any adult in your life. This week, follow and do what they ask you without complaining. Write or talk about it with God, if it was easy or hard.

25th - 3rd

Worship

Memorize John 1:12 and thank God for letting us be His children!

Activity

Tell your family one thing that you learned this month while you make a fun snack to enjoy together.

Service

Donate socks, jackets, and other warm clothes to CrossStreets Ministry to keep people who don't have homes protected from the cold.

Super Challenge: Contact CrossStreets Ministry and serve with your family at their food pantry. Don't forget to take a picture, and send it to austin@3crosses.org!
