Please briefly describe your home situation and what has prompted you to request the assistance of the Home Repair Ministry:

Thank you. Please now describe the work for which you would like the assistance of the men of the Home Repair Ministry. Please include a description of any previous attempts to perform the repair and tell us who did that work. Please also describe any parts or materials that you already have on hand for the repairs.

After review of your request, you will be contacted by someone from the Home Repair Ministry to discuss your request and schedule a visit if needed to see the situation you have described below.
