## THE BIG IDEA:

This week we took a look at one of the most famous stories in the Bible - The Feeding of the 5,000 found in John 1:1-15. With only a few loaves of bread and a couple of fish, Jesus provided in a HUGE way for over 5,000 people. We worship and serve a God who can perform miracles and can always give us enough even when it is impossible for us to do it for ourselves. As we take time to give thanks this week, let's remember this amazing truth.

1. What was the best part of your day?

2. What are you thankful for today?

3. Why were so many people following Jesus and why were the disciples so worried?

→ They were following because of the many miracles He had performed. The disciples were worried about not having enough food for so many people.

4. Did the people have to be careful about how much they took?

→ They were allowed to take as much as they wanted and there were still leftovers! .

5. God provided for the people. How does He provide for us?

6. Has God ever given you more than enough of something? What was it?

7. Should we be thankful for the small things as well as the big things God provides? Can He use the small things to make big things happen?

8. What was something big God has provided for you? Something small?

These questions are a guide to help get the conversation going. Parents, grandparents, family members - add your input and make it an amazing conversation!
