

TABLE TALK

February 5th, 2019

1. What was the best part of your day?
2. What are you thankful for today?
3. The first and second commandments are about putting God first. What are some "idols" we sometimes love more than God?
4. What does it mean to "covet"? How can you help yourself not to covet?
→ To want something someone else has
5. Why is it important to honor your father and your mother?

This week we began our series on God's holiness. God is set apart from us and above us. Looking into the 10 Commandments is a reminder that God is perfect, but we are not. He gave us the 10 Commandments to show us what holy living should look like, but we can't always obey these rules. Even though we can't, they should remind us about how much we need God and His gracious forgiveness in our lives.

6. How does Jesus summarize the 10 Commandments later when He was on earth?
→ Luke 10:27 "Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind"; and, "Love your neighbor as yourself."
7. Review the 10 commandments as a family. Why do you think the first 2 commandments are the most important?
→ If we put God first in our lives, it is easier to follow the other commandments
8. Is it possible to keep all of these commandments all of the time? Who can keep them?
→ We are not perfect, we need God - God can keep all of the commandments which is a sign of His HOLINESS

These questions are a guide to help get the conversation going. Parents, grandparents, family members - add your input and make it an amazing conversation!
